

## Cheeky Cats

### Airdry Clay Ornaments

Air dry clay is a fun and versatile medium. It can be rolled, shaped, pressed and textured, then left to dry and harden. Students will learn how to create adorable cat Christmas ornaments, adding their own unique details and personality ready to hang on the tree!

- All Materials Supplied
- Access to water required
- Tables required
- Paint smocks required

**Prep- year 6**  
**\$25 + gst per person**  
**\$400 + gst minimum fee**

## Impasto Snowman

### Textured paint on canvas

Impasto painting is all about thick, textured paint that adds dimension and movement to an artwork. Students will use layering and palette knife techniques to create a playful snowman painting on canvas, adding their own festive details to make each snowy masterpiece completely unique!

- All Materials Supplied
- Access to water required
- Tables required
- Paint smocks required

**Prep- year 6**  
**\$25 + gst per person**  
**\$400 + gst minimum fee**

## Christmas Ornaments

### Acrylic on Airdry Clas

Air dry clay is a fun and versatile medium. Students will shape and create their own Christmas ornaments, then bring them to life with colourful pour paint and graffiti-style decorations. They'll experiment with bold colour, patterns and marks to create unique ornaments ready to hang on the tree!

- All Materials Supplied (3 ornaments pp)
- Access to water required
- Tables required
- Paint smocks required

**Prep- year 6**  
**\$25 + gst per person**  
**\$400 + gst minimum fee**

## Personalised baubles

### Mixed Media

Clear 3D baubles are the perfect little canvas for creativity. Students will layer colours, textures and mixed media materials inside their bauble, then personalise it with their own name and special details.

- All Materials Supplied
- Tables required

**Prep- year 6**  
**\$25 + gst per person**  
**\$400 + gst minimum fee**

## Mini Wreath

### Wool on Rope

Students will wrap reclaimed rope with colourful wool to create their own mini wreath, then layer tassels, pom poms and embellishments to add texture and personality. Each finished wreath will be a unique piece of handmade art ready to hang and enjoy!

- All Materials Supplied
- Tables required
- Access to powepoint required

**Prep- year 6**  
**\$25 + gst per person**  
**\$400 + gst minimum fee**

## Festive Prints

### Ink and Foam

Printmaking is a fun way to turn simple shapes into bold designs. Students will create their own festive stamps using foam shapes on cardboard, then experiment with ink, pattern and repetition to print their designs onto bags.

- All Materials Supplied
- Tables required
- Paint smocks required

**Prep- year 6**  
**\$25 + gst per person**  
**\$400 + gst minimum fee**

## Felt Wreaths

### Felt on Wire Rings

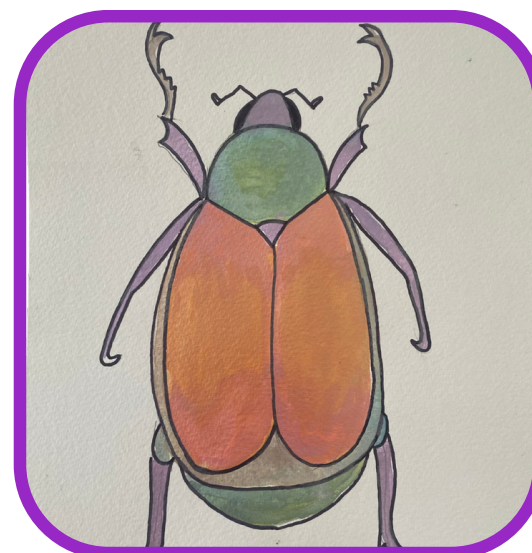

Felt is a fantastic material for cutting, layering and building colourful designs. Students will create their own festive wreath using a wire ring, then make and arrange felt flowers, leaves and decorations around the frame
